December 16, 1963, Dowe, an announcer for KLIF, said he was called by a person who identified himself as Jack Ruby on a number of occasions, and on one of these he asked if Dowe knew when Oswald was going to be transferred.

In a statement of June 6, 1964 to the FBI, (19 H 624-5) he said he was introduced to Ruby toward the end of October by Chuck Dunaway who was showing him around the station where he had just gone to work. In this statement he says that it was on the 23rd of November that Ruby asked when Oswald was going to be transferred.
